LEE'S DAHLIA GARDENS

OLDEST IN THE STATE

UNIVERSITY PLACE

Route 5, Box 600 TACOMA, WASHINGTON

GREETINGS, DAHLIA FRIENDS

We reduced the size of our catalog this season, giving only brief descriptions, so that we can give you the lowest possible price for the highest grade Dahlias, and WE APPRECIATE YOUR ORDERS and GUARANTEE SATISFACTION.

We won 80 PRIZES at the Shows this year.

Yours for More and Better Dahlias in every Garden,

J. W. and MRS. J. W. LEE.

VISITORS WELCOME

OVER 400 VARIETIES ROCK PLANTS for sale at GARDENS, as well as many other shrubs and plants.

Our Gardens are located in University Place, on the Center Street-Day Island paved drive, one-half mile west of Fircrest Golf Club; or follow paving on 6th Avenue to Skyline Blvd. and turn to left, 1 mile.

Gardens can also be reached by Street Car and transfer to Bus which passes the Gardens. For information as to time, etc., call PRoctor 3481-J.

DAHLIAS FREE, WITH CASH ORDERS

We send a surprise gift Dahlia with orders over \$2.00.

Full cultural directions are sent with each order, and we pay postage. The varieties listed are selected for their desirable habits, vigor, etc., and almost all have splendid stems. No stunted stock. Many are rare and imported varieties as well as the best new varieties from all over U. S. A. The higher prices are for the new varieties.

TERMS—CASH with order or before shipping.

If you do not see the Dahlias you want, please write us as we have many that are not listed, new and old.

OUR 1934 INTRODUCTIONS

WASHINGTON GIANT

WASHINGTON GIANT—Informal Decorative. One of the most outstanding new Dahlias in the U. S. Winner of the American Home Achievement Medal at Portland, Oregon, Oct. 6th, 1933, and has won several other prizes while in the seedling class, also on the 1933 American Home Honor Roll.

Mr. Derrill Hart, who grew this variety in the east last season, writes: "Unusual in form and in a color group that is not overburdened with varieties, a large flower on extra good stems and with good growing habit." "Here is a real lavender in a finely formed flower. The blooms are streaked with silver and as it grew with me, showed silver petaloids near the center of the flower. It is an aptly named flower on extra good stems."

To this very fine description we would add that with us the color is lavender with orchid tints and blended with silver. Petals are broad and waving with curling petaloids between them. Blooms are giant size, over 12 inches across and 7 inches in depth without forcing and always has closed centers.

It was much larger than any other variety we grow and we are growing most of the World's reputed largest varieties and all plants had the same care.

Plants are medium tall, strong erect growing with splendid habits, and healthy insect-resisting foliage.

Stems hold the big blooms perfectly erect, facing upward, even to the last blooms in the Fall.

Our stock of this variety has never been forced so our roots are strong and full of "pep." We predict this Dahlia will hold its place of Honor for many years to come, so be one of the first to grow and exhibit it at your Dahlia Show. Stock limited, prices net. Roots \$10 each, 3 for \$25. Green plants ready after May 1st, \$5.00 each.

CURLY HEAD—Peony. Good new varieties in this type are rare and we are sure you will enjoy growing this one. Outside petals are broad and wavy while center is filled with curly petals, like a mass of lovely curls, hence the

name Curly Head. Color is a beautiful blending of gold and orange. Blooms are large exhibition size and stems are strong and hold the blooms perfectly erect. Plants are medium height with good habits. Roots, \$5; 3 for \$12

MELODIC—Informal Decorative. A melody of lovely color, soft creamy yellow at center blending to apricot pink. Blooms are large and stems are extremely long and always hold the big blooms perfectly upright all season. Plants are tall with good habits. A very beautiful variety. Roots-----\$5; 3 for \$12

SUN GLORY—Informal Decorative. A very attractive variety. Blooms are large size, stems long, strong and hold the blooms upright. A very profuse bloomer, plants medium height and good habits. Color is soft gold overlaid with Sunset red. We have received many compliments on this variety. As we have large stock we are placing the price low for this fine variety. Roots-----\$5; 3 for \$12

TEENY WEENY

TEENY WEENY—Pom-Anemone. Without doubt the smallest Dahlia in the World. Blooms $\frac{1}{2}$ to 1-inch across; plants 12 to 15 inches tall, and about 15 inches across. This is a new type having Pompon quilled petals around the outside, while center is filled tight with very tiny tubular anemone petals making a most unique and lovely little flower. It is an early bloomer and always covered with blooms and we have counted as many as 50 blooms at one time. Color is bright salmon. Won Sweepstake for the most perfect small Dahlia at the International Dahlia Exhibition at the World's Fair, Chicago, Ill., Sept. 16th, 1933, and was awarded the Silver Medal. Blooms were sent to the Show by Air Express and the Secretary wrote us that it kept nicely the entire week of the Show and caused quite a sensation.

It has also won 2 other Sweepstakes in the Northwest Shows for smallest Dahlia, and has always attracted a great deal of favorable attention wherever we have exhibited it as well as in the Gardens. It is a little beauty and if you like Dahlias, do not miss getting this smallest one of all. Our stock is limited, prices are net. Roots, each-----\$2.00 3 for \$5.00

GIANT GLORY OF THE DAWN (Almy-Lee)—Semi-cactus. Truly a real giant, petals are narrow incurving and almost cactus type. Color is pure bright canary yellow. Stems are good. Plants are medium tall, good habits. We were privileged to grow this variety last season and exhibited it at the Washington Dahlia Show where it won the Sweepstake for the largest Dahlia in the Show with a 12-inch bloom. This was greatly admired at both the Show and Gardens and is an outstanding variety you will enjoy growing -----Plants, \$5.00; Root, \$10.00

OTHER 1934 NORTHWEST INTRODUCTIONS

SPOTLIGHT—(Hulin-Lee) Informal Decorative. Very large blooms, stems long and perfectly stiff, never drooping. Color Sulphur yellow shading lighter at the tips and nearly white reverse. Centers always closed. An early and free bloomer. Winner of the American Home Achievement Medal at Seattle Sept. 6th, 1933, also other first prizes in seedling class. Also on the American Home Honor Roll 1933.

One of the outstanding new Dahlias and a very fine variety you should grow. April delivery roots net-----\$10.00

ROBIN ADAIR—(Tyler-Lee). Informal Decorative in the early part of the season while later it turns to Semi-Cactus. An immense flower on strong upright stems. It has great depth as well as width. Winner of the American Home Achievement Medal in Portland, 1932. Bushes are low and stocky bearing the huge blooms aloft. Color is deep empire yellow with reverse and closed center florets reddish bronze, and a glistening sheen over all. Mr. Mastick considered it superior to Marmion. Free bloomer and perfect habit and form. Roots, net-----\$10.00

AIR MAIL (Kanouse-Lee) Informal Decorative. Another outstanding Northwest Prizewinner and especially good keeping cut flower. Blooms large and held perfectly erect on top of long, strong stems. Color pink tinted with lavender. Won Certificate of Merit Storrs Trial Gardens, 1931. 1933 won 1st for best 12 blooms, 1st Prize and Sweepstake for best Basket Dahlias at Western Wash. Fair; Washington Dahlia Show, Tacoma, 1st prize for best 3 blooms Wm. Introduction, 1st and Sweepstake for best Basket of Dahlias, and 1st for best bloom grown outside of Pierce County, and has won other prizes. Medium height plant, will grow without staking. Roots net-----\$1.50

FLAMING SUNSET—(Elder-Lee) Informal Decorative. One of the most brilliant, a new shade of intense flaming orange, blooms are large and stems are long and hold the blooms perfectly erect. A very beautiful variety and one you will enjoy growing. Plants are medium height and good habits. Won 1st Prize for best 3-year-old undisseminated Dahlia at the Provincial Exhibition at Victoria, B. C., Canada. Roots net-----\$7.50

DAHLIAS OF REAL MERIT—NEW AND STANDARD
